Speaker 1 ([00:01:14](#)):

20 years ago, the Patel family set out to make medicines more affordable. It began with three-

Speaker 2 ([00:06:17](#)):

Whoa, whoa, whoa. Let's try something new. Cue the montage. This is a story about the people who make healthy possible.

Speaker 1 ([00:18:10](#)):

May I?

Speaker 2 ([00:19:11](#)):

Sorry, take it away.

Speaker 1 ([00:21:18](#)):

It began with three in a small Paterson, New Jersey facility. Three became 30, then 500, then over 7500.

Speaker 2 ([00:32:09](#)):

That's a lot of healthy.

Speaker 1 ([00:34:09](#)):

Nice. It's a story set around the world from the US to India to Ireland.

Speaker 2 ([00:41:12](#)):

And filled with heroes united by one mission, to save the multiverse.

Speaker 1 ([00:47:20](#)):

Well, give us a few years. How about this?

Speaker 2 ([00:51:23](#)):

I like it.

([00:56:16](#)):

And our heroes are winning. They're rising, leading and succeeding, reducing healthcare costs for thousands of patients.

Speaker 1 ([01:05:06](#)):

Advancing specialty medicines for Parkinson's spasticity and hypothyroidism.

Speaker 2 ([01:09:23](#)):

And delivering a company first, oncology biosimilars.

Speaker 1 ([01:14:05](#)):

They're doing all that so our patients can do all this.

Speaker 2 ([01:24:18](#)):

Yeah. The heroes of this story, they're kind of changing the world.

Speaker 1 ([01:29:08](#)):

So let's keep writing our story.

Speaker 2 ([01:31:23](#)):

Together.

Speaker 1 ([01:32:20](#)):

For another 20 years.

Speaker 2 ([01:34:23](#)):

And another.

Speaker 1 ([01:36:08](#)):

And another.

Speaker 2 ([01:39:19](#)):

Wait. This story is just getting started.
